Company Description

With a land bank of approximately 127 million square meters, Orascom Hotels and Development is a global town developer specializing in planning, building and operating integrated, self-sufficient leisure and residential towns around the world.

El Gouna, the company's flagship town on the Red Sea coast, began as a simple real estate project. This development has since evolved into a fully independent town with a strong infrastructure, residential population, and established reputation.

OHD has expanded its operations internationally, broadening its development scope to cover seven countries across three continents. The company is now active in Egypt, Oman, Jordan, UAE, Switzerland, Mauritius, and Morocco, with plans to enter additional countries.
